

We Endorse Representative Albert Sommers

As Representative to Wyoming House District 20, Albert has a proven track record of supporting the citizens and communities of Sublette County in the Wyoming Legislature. And with redistricting, that commitment will not waiver to the LaBarge area as well.

He is a hard worker with deep Wyoming roots, and has done a stellar job of keeping citizens informed of legislative discussions and actions. He adopted an active communication program from the beginning of his legislative tenure and has never varied from his promise to constituents of timely and comprehensive reporting on the deliberations in Cheyenne.

He has made a priority of meeting with local government officials, agencies, and civic organizations. He is a responsive and reliable champion for local government, schools, businesses, and residents, treating everyone with fairness and respect.

The esteem of his legislative colleagues has earned Albert a series of Wyoming Legislative leadership positions: Majority Whip; Speaker Pro Tem; and most recently Majority Floor Leader. Albert has an opportunity to become the next Speaker of the Wyoming House of Representatives. That honor would befit a legislator and citizen of his standing and would benefit the citizens of Sublette County and northern Lincoln County by ensuring that their needs are heard in Cheyenne.
